

10.3' x 7.6' Teton

10.3' Teton Shed

If you don't want a rusted, scratched, or dented on metal shed and you can not afford to spend \$1,000 on a new plastic shed; then you need to consider our Teton Shed.

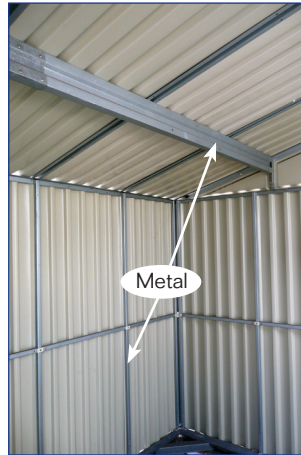

Our Teton Vinyl is made with all-PVC walls. These walls are warranted to never rust, rot, mildew or dent. Not only that, these never need painting and are virtually maintenance-free. You get an affordable long lasting storage shed that you can build yourself.

With nearly 6 ½ feet of inside head room and more that 385 cubic feet of storage room, you get plenty of space - more that your typical 10x8' metal shed. Add storage space now with one of our Teton Sheds.

- All Weather, Durable PVC Shed Panels
- Will Not Rot, Mildew and Termite Proof
- Never Needs Painting
- Vinyl is Fire Retardant
- Wide 47" Double Sliding Door.
- High Head Room
- Easy Assembly
- Includes Door Handles with Padlock Eyes
- Industry's Longest 15 Year Limited Warranty

PACKAGING

The building is packaged in a heavy duty cardboard box with plastic shrink wrapped on a wood pallet. The packaging includes all components, hardware and an illustrated step-by-step instruction booklet.

10.3 x 5.7' Package Total Dimension 70"w x 40"d x 5" (1 box)
 10.3 x 7.6' Package Total Dimension 70"w x 40"d x 8" (2 boxes)
 Ship common carrier required lift gate on residential delivery

ASSEMBLY MADE EASY

The assembly is simple, clean, safe and can be completed in four to five hours with two people. All parts are pre-cut, drilled and numbered for ease of assembly. All you need to provide is a level surface of either wood, or concrete, the size of the desired building. In addition you will need a power drill, hammer, measuring tape, pliers and a ladder.

✓ Checklist Prior to Teton Shed Purchase

- Check with your local city hall for building ordinances & CCR's
- Be sure that intended placement of shed is within your property lines
- Do not build shed over utility lines (gas, electrical, water, telephone, cable, etc)
- Measure the size of the intended shed site and make sure you have a level wooden or concrete foundation (Optional Foundation Kit available)
